

# TYRE PRESSURE GAUGES

Designed and manufactured by

**PCL**  
AIR TECHNOLOGY

*The best*  
**TYRE pressure gauges**  
*in the world!*

PCL manufacture a wide range of high quality tyre pressure gauges.

- Manufactured from brass due to the smooth extrusion of the tube and the natural lubrication to provide the most accurate reading, finished in a heavy chrome plating.
- Easy to read figures, indicators stamped to show various calibrations, made from solid heavy duty alloy.
- Incorporating a self-adjusting friction device enabling the pressure to be easily read when gauge is removed from valve.
- Internal sealing washer, unique to PCL ensures accuracy & reliability.

### TPG1/20/3 POCKET GAUGES

Part No	Description	Range	Increments	Packaging
TPG1	Angled Head Pocket Gauge	6 - 50 ibf/in <sup>2</sup>	1 ibf/in <sup>2</sup> Units	01,02,03,04,05,06
TPG20	In-Line Head Pocket Gauge	6 - 50 ibf/in <sup>2</sup>	1 ibf/in <sup>2</sup> Units	01,02,03,04,05,06
TPG3	Angled Head Pocket Gauge	10 - 120 ibf/in <sup>2</sup>	2 ibf/in <sup>2</sup> Units	01,02,03,04,05
TPG4	Pocket Service Gauge	10 - 120 ibf/in <sup>2</sup>	2 ibf/in <sup>2</sup> Units	01,03,05
TPG57	Universal Service Gauge	10 - 160 ibf/in <sup>2</sup>	2 ibf/in <sup>2</sup> Units	03
TPG60	Universal Service Gauge	10 - 160 ibf/in <sup>2</sup>	2 ibf/in <sup>2</sup> Units	03
TVT	Tyre Valve Tool			01,05
	4 in 1 valve tool, rethreads the inside and outside threads of the valve stem, removes cores and extracts damaged cores.			
TDG	Tyre Tread Depth Gauge			01,02
	Offers accurate measurement of tyre tread from 1-26mm inc. 1.6mm mark.			

Pocket gauges

Pocket service gauge

Tractor gauge/Pocket service gauge

Tyre valve tool

Tyre tread depth gauge

Tyre pressure gauges can be packed in one of the following:

01 - Bulk Packed, 02 - Individual Wallet, 03 - Individual Carton, 04 - Skin Card/Wallet, 05 - Skin Card, 06 - Tear off Pack (holding 10 gauges).
